HOME & GARDEN WALKING TOURS

Join the Annual Savannah Tour of Homes & Gardens in Celebrating 82 Years of Hospitality, Preservation and Community Giving!

The Tour offers a rare opportunity to enter some of Savannah's finest private homes and experience the architecture, furnishings and collections that have been treasured by families for generations...but seldom seen by the public. These properties have been meticulously restored, preserving the character of the space yet allowing for the enjoyment of modern amenities. Several sites incorporate more current design trends.

The 2017 Tour features homes in four of Savannah's National Register Historic Districts. Thursday highlights the Victorian and Thomas Square Streetcar districts.

Friday and Saturday focus on downtown--home to the largest urban National Historic Landmark District in the United States, featuring twenty-two oak-canopied squares surrounded by lovely homes, businesses, and churches. Ardsley Park, Savannah's first planned suburban area, is featured on our Sunday Tour.

ABOUT THE ANNUAL SAVANNAH TOUR OF HOMES & GARDENS

The Tour is operated by a subsidiary of the Women of Christ Church Anglican in partnership with Historic Savannah Foundation. Christ Church Anglican traces its origins to the founding of Georgia in 1733 when General Oglethorpe laid out the City around evenly placed town squares. It's believed that the first Anglican worship services were held in Oglethorpe's tent or in the open air before moving to the colonial courthouse. Historic Savannah Foundation has also had a long presence in our community.

In 1955, seven determined women joined to save the Davenport House from demolition. Their vision led to the creation of "HSF," which has worked tirelessly to preserve and protect the unique heritage of Savannah ever since.

The Church uses its share of Tour proceeds to fund ministries in the name of Christ in our community by providing necessities and hope in difficult times. HSF uses proceeds to support its operations and advocate for the protection of the heritage of Savannah and Chatham County. On Sunday we collaborate with the Ardsley Park-Chatham Crescent Garden Club, which uses proceeds for restoration efforts in its historic neighborhood.
